Verfahrensablauf

The change of address on the chip of the eID card is carried out as part of the registration or deregistration of a residence, which you can do either in person or online.

You appear in person at the registration office responsible for you:

- You present all the necessary documents.
- You register or deregister your place of residence.
- The address is then changed on the chip of the eID card.

For electronic residence registration:

- You call up the online service.
- You log in to the online service with your user account.
- You enter all the required data online and submit
