Teaser	If you operate a biological waste treatment plant, you must continuously determine, record and evaluate the air pollutant emissions for certain air pollutants by means of continuous measurements.
Volltext	If you are the operator of a biological waste treatment plant, you must continuously determine, record and evaluate the air pollutant emissions for certain air pollutants by means of continuous measurements with special measuring devices. You must prepare a measurement report on the evaluation of the measurements and send it to the immission control authority responsible for you within certain deadlines.
Erforderliche Unterlagen	• Complete measurement report
Voraussetzungen	• You are the operator of a plant for the biological treatment of waste. • You have put your plant into operation.
Kosten	

Modul	Sachverhalt
Verfahrensablauf	• You evaluate the measurements. • You create a measurement report. • You send the measurement report to the responsible immission control authority within the prescribed period.
Bearbeitungsdauer	
Frist	• You must submit the measurement report to the responsible immission control authority within 3 months of the end of each calendar year. • You must keep the records of the measuring devices for at least 5 years after preparing the measurement report.
weiterführende Informationen	You can use the following website to search online for accredited measuring institutes that can certify the correct installation of the measuring devices you use: • certify proper installation, • carry out the calibration, • test the functionality once a year. https://www.resymesa.de/resymesa/Allgemein https://www.resymesa.de/resymesa/Allgemein
Hinweise	You are committing an administrative offense if you: • do not evaluate measurements, do not evaluate them correctly or do not evaluate them completely, • do not submit the measurement report on time, • do not keep the records of the measuring devices used for at least 5 years after the measurement report has been drawn up.
Rechtsbehelf	None. The administrative service is a real act against which no legal remedy is possible.
Kurztext	• Measurement report on continuous measurements of air pollutants; acceptance for biological waste treatment plants • Operators of biological waste treatment plants must continuously determine, record and evaluate air pollutant emissions by means of continuous measurements. • The operator must prepare a measurement report on the evaluation of the measurements and submit it to the competent authority within three months of the
