Volltext	How can you help? We would like to invite you to take part in checking and correcting the automatically generated full texts and thereby improve research in our digital library for yourself and future users. Therefore, please register as a user in our library and use our crowdsourcing function, with which you can correct letters, symbols and text passages in the full texts that are incorrectly recognized or not recognized at all. You also have the option of enriching our digital copies by indexing additional content. For example, you can mark persons, organizations or places mentioned in the documents and clearly identify them by entering information such as dates of birth, occupations, addresses or geo-coordinates, thus making them easier to research.
Erforderliche Unterlagen	
Voraussetzungen	No registration is required to use and download the digital copies. To create watch lists, save searches or use crowdsourcing functions (participation in checking and correcting the automatically generated full texts), you can register for a free account with a valid email
