Handlungsgrundlage	§ Section 16 (4a) of the German Animal Welfare Act (TierSchG)
Teaser	
Volltext	If you • slaughter an average of at least 50 livestock units per week as the operator of a slaughter facility or as a tradesperson, or • provide workers who feed, stun or bleed slaughter animals, you must **name** a **person responsible for** compliance with the requirements of the Animal Welfare Act who is **authorized to issue instructions** to the competent authority. In individual cases, operators of the following animal husbandries, facilities and operations may also be required to designate a responsible person authorized to issue instructions:

Modul	Sachverhalt
	• Livestock operations including horse operations, • Facilities in which • animal experiments are carried out, • Interventions or treatments performed on animals for the purpose of education, training or continuing education, • interventions or treatments on vertebrate animals for the production, extraction, storage or reproduction of substances, products or organisms, • organs or tissues of vertebrate animals are removed in whole or in part for the purpose of transplantation, culture or examination of isolated organs, tissues or cells, or • vertebrate animals are killed for scientific purposes or for education, training or continuing education, • Facilities and establishments, • that transport animals commercially, • where animals are fed, cared for or housed during transport.
