## Sachverhalt

- are personally suitable and
- have reached the age of 21.

You must have completed a state or state-recognized specialist training course. However, only persons who can present a clearance certificate may take part in such a course.

The certificate of competence for handling and/or dealing with explosive substances in accordance with the Explosives Act is only issued on application and generally for a period of five years. It can be restricted in terms of content, limited in time and, even retrospectively, subject to conditions.

## Erforderliche Unterlagen

- completed form "Application for a certificate of competence in accordance with § 20 of the Explosives Act" and, if applicable, the form "Supplement A"
- Valid identity card or passport
- Required proof of specialist knowledge in accordance with § 9 SprengG
- For EU foreigners: Certificate of good repute in a certified translation from the competent judicial or administrative authority in your home country or country of origin (e.g. extract from criminal records). The certificate should not be older than three months. Otherwise, only facts that have been confirmed by the competent authority in your home country or country of origin may be considered as evidence.
