Volltext	The intended sale of pyrotechnic articles of categories F1 and F2 must be notified to the competent authority at least 14 days before the start of the activity. If pyrotechnic articles are sold on an annually recurring basis, a single notification is sufficient. A new notification is required if changes have occurred since the initial notification (e.g. change of address, changes in the responsible persons) or if the sale is discontinued. For each sales facility, a sufficient number of responsible persons must be appointed to act as supervisors for the sale and/or storage. These persons must be appointed by internal organization.
