| Volltext                      | <p>The debtors' register serves to protect bona fide business transactions from uncreditworthy debtors.</p> <p>Since 01.01.2013, the maintenance of the debtors' register has been completely reorganized and modernized. Since then, there has been only one debtors' register in each federal state, which has been set up at a central enforcement court. In Thuringia, this has been done at Meiningen Local Court. Nationwide access is only possible via the Internet..</p> <p>Anyone can obtain information from the debtors' register if they can show that the personal information is to be used for one of the purposes specified in the</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

| Hinweise                     | <p>If someone does not have the possibility to use the Internet, an inspection PC is available at all district courts. Since registration with the Internet platform is also required in this case, it is usually necessary to visit the local court twice in person. Information via the Internet portal is therefore much less time-consuming.</p>                                                                                                                                                                                                                                                                                                                                                          |
