framework of the provision of services. You do not need an Approbation/Professional Licence for this. However, you are obligated to notify the responsible Thuringian Medical Association in writing of your intention to practice your profession in advance. The notification must be renewed once a year if you intend to provide services temporarily and occasionally during the year in question. The notification has to be made before starting the activity, in urgent cases the notification can be made up immediately.

Erforderliche Unterlagen

If you are providing the service for the first time or if there has been a significant change from the situation certified in the documents, submit the following documents to the Thuringian Medical Association:

- The proof of your citizenship,
- your proof of professional qualification, if applicable, proof of further medical training and, if applicable, title certificates,
- a current certificate stating that you are legally established as a physician in the other member state or contracting state, that you are not prohibited, even temporarily, from practicing this profession at the time of submission of the certificate, and that you have no criminal record,
- information on the nature and duration of the intended temporary and occasional activity,
- evidence of adequate professional liability insurance or collective protection with respect to professional liability; and
- a statement that you have the knowledge of the German language required to provide the service.

The documents must be submitted in the form of originals or certified copies. As a rule, your documents must be submitted in German or as a certified copy of a German translation. The translations must be made by interpreters or translators who are publicly appointed or sworn. The translations must be made from the original or from the certified copies. This must be certified by the translator.
