Teaser	Thüringen Dynamik is a loan program that enables small and medium-sized enterprises and start-ups to grow successfully. It enables the long-term financing of investments of up to 2 million euros at particularly favorable conditions.
Volltext	Object of the funding: In terms of its financing, THÜRINGEN-DYNAMIK is a "sustainable funding product": The program is fed from a revolving fund, 80 percent of which is financed by the European Regional Development Fund (ERDF). Interest and repayments flow back into this fund and are thus once again available for economic development in Thuringia. The loan fund is intended to contribute to the following output indicators in the "Operational Program Thuringia ERDF 2014-2020" to achieve the objectives in Priority Axis 2 - Strengthening the competitiveness of companies:
