Teaser	As a citizen/administration, you can report damage to a state highway or to a sidewalk or bike path that accompanies the state highway.
Volltext	You report damage to a state highway or to a sidewalk or bike path that accompanies the state highway. The background procedure is as follows: Clarification of the responsibility of the construction authority, followed by an initial on-site inspection and inspection by the roadway inspection staff. The damage is recorded and the estimated costs for repair are determined. After coordination with the superiors, the service is commissioned to third parties. The road construction administration supervises and accepts the service.
Erforderliche Unterlagen	Exact location of the damage, place, street number/street name with house number, description of the street damage, possibly photo.
Voraussetzungen	The Federal Republic of Germany must be responsible for the construction of the road in question.
Kosten	none
Verfahrensablauf	You report damage to a state highway, or to a sidewalk or bike path that accompanies the state highway. The background procedure is as follows:

Modul
Sachverhalt

Clarification of the responsibility of the construction authority, followed by an initial on-site inspection and inspection by the roadway inspection staff. The damage is recorded and the estimated costs for repair are determined. After coordination with the superiors, the service is commissioned to third parties. The road construction administration monitors and accepts the service.

Multi-stage procedure: Notification, damage assessment, repair by third parties, inspection and acceptance by the Thuringian State Office for Construction and Transport (TLBV).

Bearbeitungsdauer

Inspection and recording of the damage 2 weeks, repair up to 4 weeks.

Frist

none
