Teaser	As a citizen or as an administration, you can report damage to a state road or county road, or to a sidewalk or bike path that accompanies the state road or county road
Volltext	You report damage to a state or county road or to a sidewalk or bike path that accompanies the state or county road. The background procedure is as follows: Clarification of the responsibility of the construction authority, followed by an initial on-site inspection and inspection by the roadway inspection staff. The damage is recorded and the estimated costs for repair are determined. After coordination with the superiors, the damage is repaired or the service is commissioned to a third party. The road construction administration supervises and accepts the service.
Erforderliche Unterlagen	Exact location of damage, city, street number/name, description of road damage, photo if applicable.

Modul	Sachverhalt
Voraussetzungen	The construction obligation for the affected road must lie with the Free State of Thuringia or with the districts or independent cities.
Kosten	none
Verfahrensablauf	You report damage to a state or county road, or to a sidewalk or bike path that accompanies the state or county road. The background procedure is as follows: Clarification of the responsibility of the construction authority, followed by an initial on-site inspection and inspection by the roadway inspection staff. The damage is recorded and the estimated costs for repair are determined. After coordination with the superiors, the damage is repaired or the service is commissioned to a third party. The road construction administration monitors and accepts the service. Multi-stage procedure: Notification, damage assessment, repair by third parties, inspection and acceptance.
Bearbeitungsdauer	Recording the damage 2 weeks, repair basically up to 4 weeks.
Frist	none
