Teaser	As a citizen or an administration, you can report a malfunction of traffic signs and traffic facilities on roads.
Volltext	You report a malfunction of traffic signs and traffic facilities on a road. The background procedure is as follows: Clarification of the responsibility of the construction authority, followed by an initial on-site inspection and check by the roadway control staff. The damage is recorded and the estimated cost of repair is determined. After coordination with the superiors, the service is commissioned to a third party. The road construction administration supervises and accepts the service.
Erforderliche Unterlagen	Exact location of the fault, place, street number/street name with house number, description of the fault, possibly photo.
Voraussetzungen	The construction obligation for the road in question must lie with the State of Thuringia or the Federal Republic of Germany.
Kosten	none
