Teaser	You would like to operate an aviation school as an approved training organization (ATO)? Then you need an ATO certificate.
Volltext	Before you start the training operation of your aviation school as an approved training organization (ATO), you must apply for the ATO certificate from the responsible aviation authority. The State Administration Office, as the state aviation authority, issues the ATO certificate for training organizations with their main place of business in Thuringia for the training of the following licenses, ratings and extensions: LAPL, SPL and all ratings associated with this license, BPL and all endorsements associated with this licence, PPL (A) and PPL (H), CR for single-pilot, non-technical single-engine helicopters, FI (A), FI (H), FI (B) and FI (S), CRI (A) and TRI (H),

Modul
Sachverhalt

aerobatic rating, towing rating, night flying rating, mountain flying rating

Erforderliche Unterlagen

- Completed application form
- Copies of licenses; curricula vitae; qualification certificates - flight instructors / theory instructors
