If you wish to operate a prostitution business, you must apply for a permit from the competent authority.

In order to receive the permit, you must fulfill certain minimum requirements, such as the submission of a permissible operating concept and proof of your reliability as an operator.

The permit can be limited in time. However, if you continue to meet the requirements, then you can apply for an extension.

Please note that according to § 1 of the "Thuringian Ordinance on the Prohibition of Prostitution", it is prohibited to engage in prostitution in municipalities with up to 30,000 inhabitants. Individual municipalities can be exempted from the ban in whole or in part by means of a legal ordinance. You can find out whether a corresponding exemption exists for a municipality with less than 30,000 inhabitants by contacting the responsible district office of the county.
