Teaser	Do you discharge wastewater into surface water or groundwater? Then you have to pay a levy to the Free State of Thuringia. For this purpose, you should submit the declarations (forms) required for the assessment of the levy to the responsible office.
Volltext	For the discharge of wastewater (sewage or polluted precipitation water) into surface water or groundwater in Germany is subject to a wastewater levy under federal law and supplementary state law. The wastewater tax is levied by the individual states.r.
Erforderliche Unterlagen	The wastewater levy is determined on the basis of the discharge permit under water law, in which the monitoring values and the annual volume of wastewater are regularly listed; this is generally available to the determining authority. In addition, depending on the discharge situation, the following declarations or applications, among others, must be submitted: • Declaration in accordance with § 6 Para. 1 Sentence 1 AbwAG (Declaration of the monitoring values and the expected annual volume of wastewater, insofar as this information has not been specified in a permit under water law) • Application for consideration of prior pollution (of the water body from which the water was taken

Modul	Sachverhalt
	directly) according to § 4 Abs. 3 AbwAG • Declaration of compliance with lower monitoring values according to § 4 Abs. 5 AbwAG • Proof of the measuring program according to § 4 Abs. 5 AbwAG • Information on the annual wastewater volume (JSM) • Declaration for the discharge of precipitation water from paved commercial areas via a non-public sewer system according to § 7 AbwAG and § 5 Abs. 1 ThürAbwAG • Declaration for the discharge of precipitation water via a public sewer system according to § 7 AbwAG and § 5 Abs. 1 ThürAbwAG • Declaration of small discharges subject to levy according to § 8 AbwAG and § 6 ThürAbwAG
Voraussetzungen	Anyone who discharges wastewater directly into a body of water is liable for the levy.
Kosten	The enforcement of the wastewater levy is free of charge.
Verfahrensablauf	
Bearbeitungsdauer	The declarations or applications must be submitted to the TLUBN in due time.
Frist	30.11. before assessment year (= calendar year): • Declaration according to § 6 para. 1 sentence 1 AbwAG 31.12. before assessment year: • Application for consideration of prior charge in accordance with § 4 Para. 3 AbwAG At least two weeks before the requested period: • Declaration of compliance with lower monitoring values in accordance with § 4 Para. 5 AbwAG. Within one month after the end of the declaration period: • Proof of the measurement program according to § 4 Para. 5 AbwAG 31.03. after the year of assessment: • Information on the annual wastewater volume (JSM). • Declaration for the discharge of precipitation water from paved commercial areas via a non-public sewer system according to § 7 AbwAG and § 5 Abs. 1 ThürAbwAG • Declaration for the discharge of precipitation water via a public sewer system according to § 7 AbwAG and § 5 Abs. 1 ThürAbwAG • Declaration of small discharges
