Teaser	Under certain circumstances you can apply for an extension of your residence permit.
Volltext	Residence permits are issued for a limited period of time. An extension is possible if the prerequisites that

Sachverhalt

must have been met when the permit was first issued
continue to be met.

There will be no extension if the Federal Office for Migration and Refugees has informed you that the conditions for revocation of refugee recognition have been met.

In addition, your residence title will not be extended if you have been expelled due to a particularly serious reason for expulsion.

You must take urgent care to submit an application for the extension or issuance of another residence title (for example, a settlement permit) before your residence title expires. If the application is filed in time, i.e. before the expiry of the time limit, the further residence is considered permitted until the decision of the Aliens Department with all subsequent effects (for example, the right to pursue gainful employment). A late application (after the end of the time limit stated in the residence title) can result in considerable legal disadvantages.

Erforderliche Unterlagen

- Application for renewal
- current biometric photo
- previous residence title
- Proof of identity, if available, e.g. passport, ID card, birth certificate, marriage certificate, nationality certificate

Further documents depend on the circumstances and can be requested from your contact person.

Voraussetzungen

- The residence title is extended if the requirements that must be met when it was first issued continue to be met.
- Existence of an application for extension
- There must be no grounds for refusal.

Kosten

You are exempt from the fee for extending your residence permit.

If a new travel document for refugees is issued to you, the fee is 60 euros from the age of 24 and 38 euros up
