Sachverhalt

be created, processed and signed in electronic form and exchanged with other companies and the authorities. A personal signature card and a card reader are also required for the qualified signature of the forms.

- Access to the electronic verification procedure via a mailbox directly at the ZKS or via a provider.
- You must enter the waste management company numbers of the producer and disposer in the verification forms. If these have not yet been issued, they must be applied for from the competent authority before the verification forms are created.

Kosten

Verwaltungsgebühr: 79€ - 880€
As a rule € 79. Only if producers have their head office outside Germany will they be charged based on the quantity and duration.

Verfahrensablauf

- As a waste-generating company, you create the cover sheet and the responsible declaration, including the declaration analysis if applicable, in electronic form and send these to the disposal site with a signature.
- There, the documents are completed and also signed.
- The company disposing of the waste sends the complete proof of disposal to the authority responsible for the disposal facility and the waste-generating company before disposal begins.
- The competent authority for Thuringian disposal facilities is the TLUBN
- After confirmation, the competent authority sends the documents to the waste producer, the waste disposal company and, if different, to the competent authority of the producer.

Bearbeitungsdauer

1 - 30 Tag(e)
Confirmation of receipt or any subsequent claim will be sent within 12 calendar days. Subsequent claims may suspend processing until the complete documentation has been submitted.

Frist

- The evidence must be valid at the time of disposal.
- The authority has 30 days to issue official confirmation if the documentation is complete and correct; receipt must be confirmed within 12 calendar days.
- Evidence can be confirmed for a maximum of five years.
- The

Hinweise	
Rechtsbehelf	Action before the administrative court
Kurztext	<ul style="list-style-type: none"> • Proof of disposal confirmation <ul style="list-style-type: none"> • Proof of disposal privileged procedure Acceptance • Before starting the disposal of (hazardous)) waste, the permissibility of the planned disposal must be verified by means of a waste disposal certificate. • As a rule, this also includes confirmation of proof of disposal by the authority responsible for the disposal facility. • This confirmation is not required in the so-called privileged procedure, which can be used if <ul style="list-style-type: none"> • the waste management facility is certified as a specialist waste management company and is therefore privileged, • the disposal facility belongs to a company entered in the EMAS register and is therefore also privileged, or • the waste management facility has been exempted from the confirmation obligation by the competent authority upon request. • In cases of exemption or privileged treatment, the company disposing of the waste only has to provide proof of disposal. No confirmation by the authority is required here. • Responsible: Thuringian State Office for the Environment, Mining and Nature Conservation (TLUBN)
Ansprechpunkt	Please contact the Thüringer Landesamt für Umwelt, Bergbau und Naturschutz - Referat 74 Abfallrechtliche Überwachung.
