Teaser	The person authorized to represent the radiation protection supervisor within the scope of radiation protection licenses you must notify the competent authority.
Volltext	If a company, a society, an association or a private person has a radiation protection license, the authority must be informed of who is responsible for radiation protection as the authorized representative. The right of representation results from the law (e.g. GmbH - law), the articles of association or the shareholders' agreement. The overall responsibility of all persons authorized to represent remains unaffected.
Erforderliche Unterlagen	• Certificate of good conduct of document type "O" • Proof of authorization to represent the company (excerpts from the Commercial Register, excerpts from the Register of Associations, business registrations, registration in the Handicrafts Register, license to

Modul	Sachverhalt
	practice as a panel physician). • In the case of several authorized representatives, a declaration of who is responsible for radiation protection. if no radiation protection officers have been/will be appointed: • Certificate of technical qualification • complete proof of the updating of the specialist knowledge • Approval for medical applications
Voraussetzungen	The designated person must be authorized to represent a company, partnership or association by law or by its articles of association.
Kosten	none
Verfahrensablauf	After notification, the submitted documents are checked for completeness in terms of content and subject matter. If documents or information are missing, they will be requested by the authority. If all documents or information are available, you will receive a confirmation in the form of a letter.
