| Teaser                         | <p>If you run a non-profit organization or work for a social service, you can apply for a parking permit. With this you are allowed to park in certain areas for the duration of your work assignment.</p>                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Volltext                       | <p>Vehicles belonging to a non-profit organization or a social service can be issued a parking permit by the responsible authority. This can, for example, entitle the holder to park free of charge in restricted stopping zones, resident parking zones or parking management zones (parking spaces with parking meters or parking ticket machines). The exemption is usually only valid for certain individual activities of the non-profit organization or social service.</p> <p>Note the exact content of the exemption permit. Above all, when using the special permit, other persons must not be endangered or hindered.</p> |
