weiterführende Informationen
Hinweise

A driving license for categories D1 or D may only be issued if the applicant already holds the driving license for category B or has fulfilled the requirements for its issue. In this case, the driving license for the higher class may be issued at the earliest with the class B driving license.

A category D1E or DE driver's license may only be issued if the applicant already holds the driver's license for the towing vehicle or has fulfilled the requirements for its issue. In this case, the driving license for class D1E or DE may be issued at the earliest with the driving license for the towing vehicle.

If a bus driver's license is to be issued for the first time as part of professional driver training before the regular minimum age is reached, a
