Sachverhalt

dual course of study. Students in vocational school classes whose attendance requires vocational training leading to a vocational qualification, Students in (vocational) technical school classes that provide a vocational qualification in a training course lasting at least two years, students in training courses at higher technical colleges and academies, trainees in training courses at certain training institutions that are covered by a legal ordinance pursuant to Section 2(3)(1) of the Federal Training Assistance Act (BAföG). A differentiation is to be made in the case of trainees:

Eligibility depends on what kind of training institution they attend and what kind of degree they are aiming for. Trainees at a vocational school or a technical college who are pursuing a vocational qualification lasting at least two years are eligible for the one-time payment. This also applies to trainees attending a technical school class that requires completion of vocational training.

- AND You must also have been enrolled or registered at your training institution by the cutoff date of December 01, 2022,
- AND in addition, your residence or habitual abode must have been in Germany on the cut-off date of December 01, 2022. Persons who have carried out a study stay/internship stay abroad limited to a maximum of two semesters and were still enrolled/registered at their educational institution in Germany at the same time generally have their habitual residence in Germany.

Kosten

There are no costs involved.
