Teaser	If you would like to have previous periods of study and academic achievements recognized and credited to your current or newly chosen degree program, you can apply for this at the university.
Volltext	You can have periods of study and academic achievements from previous degree programs recognized in your current degree program. This applies to periods of study and academic achievements at your previous university, a university in Germany or abroad. This can involve a change of subject within your university, a change of university within your degree program, a change of university outside of your degree program, or a stay at a university abroad. You can also receive credit for knowledge acquired outside of your university, for example, during vocational training. Find out about details at your university.
Erforderliche Unterlagen	<ul style="list-style-type: none"> • Completed application for recognition or crediting of study and examination achievements • Evidence of the work performed, e.g. a transcript of records or transcript of grades • Description of previous studies, e.g. a module description/module catalog • Documents for crediting achievements acquired outside of the university

Modul	Sachverhalt
	Inquire at the university about the recognition procedure and the required documents at an early stage.
Voraussetzungen	<ul style="list-style-type: none"> • You must be able to provide evidence of your previous periods of study and achievements, • You can provide evidence of knowledge acquired outside the university in the form of certificates or similar.
Kosten	There are no costs involved.
Verfahrensablauf	<p>The exact procedure depends on the respective study program of the university. In principle, the recognition or crediting takes place in the following steps:</p> <p>Make the application and submit the required evidence.</p> <p>Your application will be reviewed by the responsible office. During the recognition process, the equivalence of your previous periods of study and academic achievements will be checked. In this context, the content, learning outcomes, competencies, level, e.g. Bachelor's or Master's, temporal scope and workload, expressed in ECTS credits, are compared. The profile of the former university and the recognition of the educational institution also play a role in the examination. If equivalence is established, recognition is granted.</p> <p>Credits for knowledge acquired outside the university can be awarded for up to 50 percent of the credits to be acquired.</p> <p>If there are any uncertainties during the examination of your application, the office responsible at the respective university may contact you with further questions.</p> <p>After the examination, the university will inform you of the decision regarding recognition or crediting.</p>
Bearbeitungsdauer	The processing time depends on the respective course of study.
