Kurztext	<ul style="list-style-type: none"> • Proof of disposal privileged procedure Acceptance • Before commencing the disposal of hazardous waste, the permissibility of the planned disposal must be documented by means of proof of disposal. • As a rule, this also includes confirmation of proof of disposal by the authority responsible for the disposal facility. • This confirmation is not required in the so-called privileged procedure, which can be used if the waste management facility is certified as a specialist waste management company and is therefore privileged, the disposal facility belongs to a company entered in the EMAS register and is therefore also privileged, or the waste management facility has been exempted from the confirmation obligation by the competent authority upon request. • In cases of exemption or privileged treatment, the company disposing of the waste only has to provide proof of disposal. No confirmation by the authority is required here. • Responsible. Thuringian State Office for the Environment, Mining and Nature Conservation
