Teaser	If a license to practice medicine is lost or destroyed, you can apply for a replacement certificate to be issued. You can find out more here.
Volltext	The basis for practising the veterinary profession is a successfully completed university degree in veterinary medicine (veterinary examination in accordance with the Ordinance on the Licensing of Veterinarians or proof of veterinary training recognized as equivalent). In addition, a separate professional license is required to use the professional title "veterinarian" in the Federal Republic of Germany and to practice the veterinary profession. This professional license is the Approbation. The requirements for the granting of a license to practice are laid down by law in the Federal Veterinary Code. If the Thuringian State Office for Consumer Protection has issued the certificate of licensure, a duplicate can be applied for (replacement certificate of licensure).
