Verfahrensablauf	<p>You can create the notification in writing or using the online service. The procedures differ in terms of who is responsible.</p> <p>Written procedure:</p> <ul style="list-style-type: none"> • You create a written notification of staff changes in your childcare facility (KiTa). • You must find the responsible authority yourself. • You then send the notification by post. • Upon receipt, the authority will carry out a formal check. If formal errors or missing documents are found, the authority will contact you and ask for rectification. • You must carry out the rectification and send an updated notification. • Once the update has been received, the authority will carry out an assessment procedure in which the professional suitability and reliability of the person to be recruited will be checked. • If the check is positive, the change of personnel is confirmed. • If the check is negative, the competent authority will contact you and explain how employment is still possible. For example, the person may need to undergo further training. <p>Online procedure:</p> <ul style="list-style-type: none"> • You create a written notification in the online service. • The online service automatically determines who is responsible. • Once the notification has been created, it is automatically forwarded to the authority. • The remaining procedural steps correspond to the written procedure.
