| Teaser                        | Vehicles that do not comply with the construction and operating regulations of the Road Traffic Licensing Regulations require a special permit to drive on public roads.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Volltext                      | <p>Vehicles that do not comply with the construction and operating regulations of the Road Traffic Licensing Regulations (StVZO) require a special permit to participate in public road traffic.</p> <p>In principle, exemptions may only be approved if all reasonable possibilities for complying with the provisions of the StVZO and the Vehicle Registration Ordinance (FZV) have been fully exhausted.</p> <p>They may only be approved to the extent that is absolutely necessary for the intended purpose (strict standard); no exemption may be granted for economic reasons alone.</p> <p>The exemptions can generally be granted for a period of validity of up to 12 years; they can also be limited to three, six or nine years.</p> <p>The exemption permits must be obtained by the vehicle owner, carried along when driving and handed over to the responsible persons for inspection on</p> |

## Modul

## Sachverhalt

request.

The vehicle/part to be approved must already exist.  
Pre-approval is not possible due to the need for a technical inspection.

## Erforderliche Unterlagen

Details of the owner (name, address)

For new applications, an expert opinion on obtaining an exemption permit in accordance with § 70 StVZO from an officially recognized expert for motor vehicle traffic or an authorized signatory of a technical service designated in accordance with § 30 of the EC Vehicle Approval Regulation (EG-FGV) for testing complete vehicles of the respective vehicle class

To extend an existing exemption permit: Copy of the old § 70 STVZO exemption permit. And either a confirmation report that the condition of the vehicle has not changed since the last inspection or a new report in accordance with Section 70 StVZO

To supplement or amend an existing exemption permit: Supplementary report (If towing vehicles or trailers other than those listed in the exemption permit, stating the vehicle identification number, are to be used in vehicle combinations such as trains or articulated vehicles, a supplement to the exemption permit is required)

To transfer an existing exemption permit: Existing exemption permit with the corresponding expert opinion and the registration certificates

(If already available) Registration certificate or operating license of the vehicle combination

(If available) Certificate from the manufacturer stating the reasons why he was unable to comply with the provisions of the StVZO

Insurance certificate, if applicable (see Appendix 8)

Authorization if the application is made on behalf of a third party.

| Modul                        | Sachverhalt                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |

| Voraussetzungen              | As a general rule, exemptions may only be approved if all reasonable options for complying with the provisions of the StVZO and the Vehicle Registration Ordinance (FZV) have been fully exhausted.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| Kosten                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Verfahrensablauf             | <p>You can apply for the exemption in writing or online. The application must be briefly justified.</p> <p>Before you can apply for an exemption for a vehicle, you need an expert opinion from an officially recognized expert for motor vehicle traffic or an authorized signatory of a technical service designated in accordance with the EC Vehicle Approval Regulation (EG-FGV).</p> <p>The report must state the necessary exemptions from the StVZO, the suitability of the vehicle or vehicle combination and the requirements and conditions deemed necessary in the interests of road safety. The proposals for exemptions must be described in concrete terms and their necessity must be justified. You can then apply for the exemption permit.</p> <p>The competent authority will examine your application, request additional documents if necessary and, if the examination is positive, will issue you with the exemption permit and charge the fees.<br/> <a href="https://www.gesetze-im-internet.de/eg-fgv_2011/_30.html">https://www.gesetze-im-internet.de/eg-fgv_2011/_30.html</a><br/> <a href="https://www.gesetze-im-internet.de/eg-fgv_2011/_30.html">https://www.gesetze-im-internet.de/eg-fgv_2011/_30.html</a></p> |
