Teaser	The digital bonus supports companies in the digitalization and automation of operating processes as well as products and services or in the introduction or improvement of solutions.
Volltext	The Free State of Thuringia supports commercial companies with the aim of assisting them with digitalization. They receive funding in the areas of: • Digitization and automation of operational processes, • Digitization and automation of products and services and • Introduction or improvement of solutions in the areas of data processing, data management, data security and cyber security. You will receive the funding as a grant of up to 50% of the eligible expenditure, up to a maximum of EUR 15,000. • The eligible expenditure must amount to at least 5,000 euros • The eligible expenditure must not exceed 150,000 euros. • The grants are awarded as de minimis aid.
Erforderliche Unterlagen	The grant is awarded on application. Applications for a grant must be submitted electronically to the Thüringer Aufbaubank (TAB) via the online portal https://thueringer-foerderportal.eu using the forms provided. In addition, the written application must be submitted to the TAB, unless the electronic form replaces the written form.

Modul	Sachverhalt
	Incomplete funding applications must be completed by the applicant within the deadline set by TAB following a written request from TAB.
Voraussetzungen	Funding is subject to certain conditions: • The project must be carried out in Thuringia. • The eligible expenditure must amount to at least EUR 5,000.00 and may not exceed EUR 150,000. • The project has not yet been started at the time of application. • The overall financing is secured (submission of a through-financing confirmation). • Each company can submit a maximum of two applications for the Digitalbonus Thüringen. The project must be completed within 12 months.
