Teaser	If you need information on specific companies, you can search for them in the Joint Register Portal of the federal states or in the Business Register itself and inspect the entries and documents submitted.
Volltext	You can view the commercial registers online via the "Common Register Portal of the Federal States". Here you will find information on • Corporations, for example, limited liability companies (GmbH), stock corporations (AG), partnerships limited by shares (KGaA) • Commercial partnerships, for example general partnerships (OHG), limited partnerships (KG) • Sole traders (e.K.) The Joint Commercial Register Portal of the federal states provides information on facts and legal relationships that are of significance for legal transactions in connection with companies registered there. The commercial register contains, for example, the names of persons authorized to represent a company in business dealings. You can view information free of charge on the Joint Commercial Register Portal of the German federal states. In addition, you can view free of charge • view the documents submitted • download a printout as a PDF. It is also possible to view the commercial register via the Business Register, which was introduced on 01.01.2007. In addition to the data from the Commercial Register, other information such as annual financial statements of corporations or company
