Teaser	If your address changes, you must also have your address changed on your eID card.
Volltext	<p>As the holder of an identity card or passport, you are obliged to present your document to the identity card/passport authority immediately if an entry is incorrect. This is the case if the address has changed. This also applies to the eID card, which - like the ID card - has a function for electronic proof of identity.</p> <p>In addition, the address fulfills important tasks for the address confirmation function of the online ID card. So make sure that the current address is stored on the chip. Without the change of address, it may not be possible to use online services or return items may not reach the applicant.</p> <p>You can change your address in person at the passport/ID card and eID card authority or by registering electronically via the Internet.</p>

the website of your new municipality of residence.

- Once you have successfully registered, you will usually receive your registration confirmation as a PDF file to download after a few days.

- You can change the data on the chip of your ID card or your eID card. You will also receive an address sticker by post to update the address on your ID card and, if applicable, passport.

- ID card: The address is changed on the chip. So that the address is also visible on the card, an address sticker is affixed to the back of the ID card.

- Passport: The new place of residence is changed directly and visibly on the passport.

- eID card: The address on the chip is changed. An address sticker is not sent.

- If the procedure is interrupted for technical reasons or the registration authority cancels the electronic registration during the verification process, you will receive a notification. Please contact your new municipality in person to complete the registration process and to change your ID card, passport or eID card.

Bearbeitungsdauer

In person: Immediately. Electronic change: The chip can be changed immediately after receipt of the registration confirmation. The transmission of the address/residence sticker takes about 1 week.

Frist

You are obliged to register your new place of residence. You have 14 days after your move to do this. The chip should be changed as soon as possible.
