Teaser	As a severely disabled person, you can receive a parking permit and parking facilitations under certain conditions. You must apply for these.
Volltext	Severely disabled people with exceptional walking disabilities or blind people (characteristic sign "aG" or "Bl" in the severely disabled person's permit) can obtain a parking permit. Parking privileges (other than the use of handicapped parking spaces) are also granted to severely handicapped people who narrowly miss being awarded the "aG" mark. Your district office or the administration of your independent city will issue a corresponding certificate if certain health requirements are met, which is then presented to the local road traffic authority. The road traffic authorities also issue the necessary orders in connection with the marking of parking spaces for severely disabled people with exceptional walking disabilities, bilateral amelia or phocomelia or with comparable functional limitations, as well as for blind people.
Erforderliche Unterlagen	Contact the local road traffic authority in your county or independent city, some authorities provide application forms or
