Teaser	If you receive social welfare or basic income support and have just had a baby, the social welfare office will cover the cost of counseling sessions.
Volltext	<p>Those who are unable to support themselves with their own resources or who are unable to help themselves in special circumstances and who do not receive sufficient help elsewhere have a right to personal and economic assistance. A central goal of social assistance is to strengthen the self-help forces and to make it possible to lead a life worthy of a human being.</p> <p>During the first months and years of their child's life, many parents experience situations that make them feel insecure, worried or overwhelmed.</p> <p>Health assistance offers mothers and fathers advice on issues such as:</p> <ul style="list-style-type: none"> <li>• insatiable crying and frequent restlessness of the infant</li> <li>• difficulty falling asleep and staying asleep</li> <li>• Problems with breastfeeding, feeding and eating</li> <li>• Behavioral problems such as excessive anger and defiance, fearfulness or aggressiveness, unwillingness to play</li> <li>• separation anxiety and difficulties</li> <li>• Tense family situation</li> <li>• relationship problems</li> <li>• excessive demands, insecurity and exhaustion</li> <li>• postpartum depression</li> </ul>
Erforderliche Unterlagen	<ul style="list-style-type: none"> <li>• Application for health assistance</li> <li>• Identity card or passport (or other documents that</li> </ul>
