organizer and subsequent passing of an examination and is limited to 5 years. The examination is conducted by the IHK and is taken in writing. The prerequisite for the examination is the complete participation in a training course recognized by the IHK. Admission to the examination for an advanced course can only take place if the participant has previously passed the examination for the basic course. To renew the ADR certificate, again for a limited period of time, a further training course must be attended and an examination passed. The validity date of the ADR certificate is extended by five years if it is passed.
