Teaser	If you wish to collect or transport hazardous waste or trade in hazardous waste, you must apply for a permit for this activity from the competent authority.
Volltext	To collect, transport, trade and broker hazardous waste, you must apply for a permit for this activity from the competent authority. If you are exempt from the permit requirement, notification of your activity is sufficient. If you have already received a permit for your activity and significant circumstances have changed, you must reapply for the permit. The permit requirement applies to both national and cross-border waste shipments.
Erforderliche Unterlagen	• Your business number(s) under waste legislation as a collector, carrier, broker or dealer of waste (if already issued to you) • the process number of your first notification (only if you wish to create a change notification) • your business registration (if you are required to register a business) • an extract from the commercial, association or cooperative register (if an application has been made) • Proof of business and environmental liability insurance (if such insurance exists) • Proof of the expertise of the persons responsible for the performance and supervision of the business • Proof of motor vehicle liability insurance (if you wish to apply for a permit for collection or transportation activities and transportation takes place on public

	roads).
Voraussetzungen	• The competent authority must grant the license if: no facts are known which give rise to concerns about the reliability of the proprietor or the persons responsible for the management and supervision of the establishment, and the proprietor, insofar as he is responsible for the management of the establishment, the persons responsible for the management and supervision of the establishment and the other personnel have the necessary technical and specialist knowledge for their activities. • In addition, the requirements of the notification or permit requirements as well as the requirements for other technical and expert personnel, which are specified in the Ordinance on the Notification and Permit Procedure for Collectors, Carriers, Traders and Brokers of Waste, must be met. • Verification and registration obligations must also be observed.
Kosten	Verwaltungsgebühr: 250€ - 5.000€
Verfahrensablauf	• If you want to take up this activity for the first time as a collector, carrier, trader and broker of hazardous waste or if the essential circumstances of your activity have changed, apply for a permit from the competent authority. To do so, enter your details and submit the required documents by email or using the online form. • If you use the online form, you must provide a qualified electronic signature to complete the application. For example, the signature card used in the electronic waste records procedure and the card reader used there can be used for this purpose. Signature software from Governikus, Signer WebEdition, is required for the signature. The software must be installed locally on your computer system in advance. You can find the download with instructions on the GOES website. The authority will send you a confirmation of receipt. After checking the application and your documents, the authority may request additional documents or grant the permit with or without ancillary provisions or refuse the permit.
