Volltext	As a private broadcaster, you need a license under state law. For broadcasts that are • are organized and broadcast in the local area of a public event and in temporal connection therewith, or • are offered for facilities, can only be received there and are functionally related to the tasks to be performed in these facilities a simplified approval procedure is possible. Broadcasts for a limited number of residential units or broadcasts in facilities that are limited to one building or a related complex of buildings do not require approval. A license for nationwide broadcasting may be issued only to a natural person or legal entity that
