Teaser	In order to work temporarily in Germany as a veterinarian without a license, you need a permit.
Volltext	<p>If you have completed training as a veterinarian, but do not have a license to practice medicine, and wish to practice the veterinary profession only temporarily, you need a permit.</p> <p>The permit entitles you to use the professional title "veterinarian".</p>

## Modul

## Sachverhalt

The permit can be limited to certain activities and employment positions. It may only be granted or extended on a revocable basis and only up to a total duration of the veterinary activity of a maximum of four years. Further issuance or extension of the permit is possible under certain conditions. possible.

## Erforderliche Unterlagen

The following documents must be submitted:

- Application for permission to temporarily practice veterinary profession,
- proof of citizenship (certified copy of identity card, passport or proof of identity),
- the birth certificate or an extract from the family register of the parents, in case of married persons also the marriage certificate or an extract from the family register kept for the marriage,
- a proof of professional qualification (veterinary diploma, examination certificate or other veterinary qualification/training certificate),
- if necessary, certified proof of asylum recognition, permission according to the Residence Act, or possession of a naturalization certificate
- Signed curriculum vitae in tabular form: current, concise and with a detailed, chronologically complete description of the training and professional career
- Certificate of the future employer about the employment opportunity and justification (for example employment contract, needs assessment)
- Proof of no criminal record, certificate of good conduct for submission to an authority (This proof may not be more than 3 months old at the time of application).
- Medical health certificate stating that you are suitable in health terms to practice the veterinary profession (no official medical certificate required, This proof must not be older than 3 months at the time of application).
- proof of the knowledge of the German language required to exercise the intended profession (only for applicants from non-German-speaking EU / non-EU / EEA countries).

## Modul

## Sachverhalt

The documents can be sent to the competent authority without any specific formal requirements.

Note: Foreign language documents must be accompanied by a German translation. The translation must be done by an officially sworn document interpreter. Diplomas, certificates of veterinary education must be submitted in a certified translation.

If you are a national of

- of a member state of the EU,
- of another state party to the Agreement on the European Economic Area, or
- of a contracting state to which the EU member states have granted a corresponding legal entitlement by treaty

and if you have acquired your training certificate in one of these states, you must demonstrate with the application that, with regard to the intended veterinary activity, there is a special interest in the granting of a permit instead of the granting of an Approbation.

Documents issued in a member state of the European Union or in another state party to the Agreement on the European Economic Area may also be submitted electronically by EU nationals. In the event of reasonable doubt as to the authenticity of the documents submitted and insofar as absolutely necessary, the licensing authority may also require the submission of certified copies in this case.

## Voraussetzungen

In order to obtain a permit for temporary practice of the veterinary profession,

- you must prove that you have completed training for the veterinary profession
- you must not be guilty of any conduct that would render you unworthy or unreliable to practice as a veterinarian
- you must not be unfit in health for the practice of

Hinweise	<p>If the applicant cannot be granted a license or permission to temporarily practice as a veterinarian, the competent authority will examine whether the practice of certain veterinary activities can be approved under the conditions of § 15b of the Federal Veterinary Medical Regulations. In this case, the authority will contact the applicant.</p> <p>Veterinary activity prior to the granting of permission for the temporary practice of the veterinary profession may result in criminal penalties. lead.</p> <p>All veterinarians who practice their profession in Thuringia or, if they do not practice their profession,</p>

**Modul**
**Sachverhalt**

have their habitual residence there, are members of the State Veterinary Chamber of Thuringia (with the exception of veterinarians working in the supervisory authority and veterinarians who practice the profession only temporarily and occasionally in the context of service provision under European law). Each member of the Chamber must register with the State Veterinary Chamber and the competent Veterinary and Food Control Office within one month of commencing professional activity.

The permit is revocable and in principle only granted or extended up to a total duration of the veterinary activity in a non-independent position of a maximum of four years. As a rule, it is limited to a specific employment position and does not entitle the holder to perform sovereign tasks.

**Rechtsbehelf**

You have the right of appeal against a decision on your application in accordance with the Administrative Court Code (objection, if necessary action before the Administrative Court).

**Kurztext**

- Permission for temporary practice of the veterinary profession Issuance for veterinarians from EU member states.
- For the temporary practice of veterinary medicine in Germany, a state license (Approbation) is required. If this is not available, a permit is required.
- This permit must be applied for at the competent authority of the country in which you wish to work as a veterinarian.
- Proof of completed training for the veterinary profession must be provided.
- Fees will be charged.
- Application must be made prior to practicing as a veterinarian.
- Responsible: Thuringian State Office for Consumer Protection (TLV).

**Ansprechpunkt**

If the veterinary profession is to be practiced in Thuringia, contact the Thuringian State Office for Consumer Protection (TLV).
