Bearbeitungsdauer	
Frist	Advance notice shall be provided no later than 2 weeks prior to site installation.
weiterführende Informationen	
Hinweise	The advance notice must be posted visibly on the construction site and adapted in the event of significant changes.

Modul

Sachverhalt

According to Section 2 (3) of the Construction Site Ordinance, a safety and health protection plan must be drawn up in the case of several employers or particularly hazardous work, and a safety and health protection coordinator must be appointed in accordance with Section 4.

It is an administrative offense within the meaning of Section 25 (1) No. 1 of the Occupational Health and Safety Act for anyone who intentionally or negligently fails to provide the competent authority with advance notice, or fails to do so correctly, completely or in good time.

Rechtsbehelf

Kurztext

- Advance notice of the establishment of a construction site Acceptance
 - Any person who intends to set up a construction site where the expected duration of the work is more than 30 working days and where more than 20 employees will be working at the same time, or where the scope of the work is expected to exceed 500 person-days, shall submit an advance notice to the competent body.
 - The advance notice shall be submitted no later than 2 weeks prior to the site installation.
 - Responsible: Thuringian State Office for Consumer Protection (TLV), Occupational Safety Department
