| Frist                      | The complete notification documents must be submitted at least 4 weeks before the planned start of operation. Provided that the operation is not subject to                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

## Modul

## Sachverhalt

licensing, the notifying party may operate the X-ray equipment after expiration of this period, unless the competent authority has suspended the procedure or prohibited the operation. If the notifying party receives a confirmation of notification from the competent authority within the 4 weeks, the notifying party may already operate the X-ray equipment upon receipt of this confirmation.

## weiterführende Informationen

### Hinweise

Technical X-ray equipment for coarse structure analysis in materials testing and medical X-ray equipment for treatment as well as in teleradiology are subject to approval. The licensing authority is the Thuringian State Office for the Environment, Mining and Nature Conservation.

## Rechtsbehelf

### Kurztext

- You must notify the responsible office of the commissioning or significant changes to an X-ray facility that does not require a license.
- Certain documents must be submitted.
- The complete notification documents must be submitted at least 4 weeks before the planned start of operation. Provided that the operation is not subject to licensing, the notifying party may operate the X-ray facility after this period has expired, unless the competent authority has suspended the procedure or prohibited operation.
- Responsible: Contact your responsible location of the Department of Technical Consumer Protection, Market Surveillance of the Thuringian State Office for Consumer Protection (TLV).
