Teaser	For the reversal and traffic with explosive substances you need a certificate of competence according to the Explosives Act.
Volltext	Supervisors, in particular heads of an operating department, persons authorized to carry out blasting operations, plant foremen, technical supervisory personnel in explosive ordnance disposal and warehouse managers, as well as persons appointed to move explosive substances, to transfer them to others or to receive them from others, may only carry out their activities as responsible persons if they hold an official **certificate of competence to handle and/or traffic in explosive substances** in accordance with the Explosives Act.

Modul	Sachverhalt
Erforderliche Unterlagen	• Proof of professional qualification (certificate or training course certificate) • Certificate of no objection • Identity card or passport
Voraussetzungen	
Kosten	The issuance of a certificate of competence is subject to a fee. The issuance of a certificate of competence including the executed document costs 70 euros, a substantial change and the extension of the period of validity of a certificate of competence costs 40 euros. The costs for obtaining inquiries as part of the background check must be paid additionally and range from 30 euros to 250 euros.
Verfahrensablauf	A certificate of competence is issued upon written or electronic application to the competent authority.
Bearbeitungsdauer	A decision on the application must be made within a period of 3 months. The period begins with the receipt of the complete documents. It may be reasonably extended once if this is justified by the difficulty of the matter. Reasons must be given for any extension of the deadline. You will be notified of it in good time before the original deadline expires.
Frist	The application must be submitted in good time, at the latest 8-10 weeks before the intended commencement of an activity covered by the Explosives Act. The clearance certificate must not be older than one year.
weiterführende Informationen	
Hinweise	The minimum age is 21 years. The Thuringian State Mining Office is the competent authority for companies that are subject to mining supervision. http://www.tlba.de/ http://www.tlba.de/
Rechtsbehelf	You can appeal against the decision on your application or against a decision not made in due time in accordance with the Administrative Court Code

Modul	Sachverhalt
	(objection, if necessary action before the Administrative Court).
