Modul	Sachverhalt
Leistungsschlüssel	99110014006000, 99110014006000
Leistungsbezeichnung I	Apply for authorisation of animal experiments
Leistungsbezeichnung II	Apply for authorisation of animal experiments
Typisierung	2/3 - Bund: Regelung (2 oder 3), Land/Kommune: Vollzug
Quellredaktion	Rheinland-Pfalz
Freigabestatus Katalog	unbestimmter Freigabestatus
Freigabestatus Bibliothek	unbestimmter Freigabestatus
Begriffe im Kontext	
Leistungstyp	Leistungsobjekt mit Verrichtung
Leistungsgruppierung	Tierhaltung und Tierschutz (110)
Verrichtungskennung	Genehmigung (006)
SDG-Informationsbereich	Erlangung von Lizenzen, Genehmigungen oder Zulassungen im Hinblick auf die Gründung und Führung eines Unternehmens
Lagen Portalverbund	Erlaubnisse und Genehmigungen (2010400), Tier-,

Volltext	<p>If you want to carry out animal experiments, you generally need a permit from the competent authority before the start of the experiment.</p> <p>Animal experiments are interventions or treatments</p> <ul style="list-style-type: none"> <li>• for experimental purposes on animals where they may cause pain, suffering or harm to those animals;</li> <li>• for experimental purposes on animals which may result in the birth or hatching of animals suffering pain, suffering or harm;</li> <li>• for experimental purposes on the genetic material of animals, if they may be associated with pain, suffering or damage to the mutagenic animals or their carriers,</li> <li>• which are carried out for the manufacture, extraction, storage or reproduction of substances, products or organisms, or</li> </ul> <p>are removed, in whole or in part, by organs or tissues for scientific purposes or for education, training or further education purposes.</p>
Erforderliche Unterlagen	<ul style="list-style-type: none"> <li>• Form Application for authorisation or notification of animal experiments</li> </ul>

## Modul

## Sachverhalt

- Non-Technical Project Summary (NTP) must include: the purpose of the experiment, the expected benefits, the pain, suffering and/or damage to be expected,
- the animal species and numbers of animals as well as the fulfillment of the requirements according to the Animal Welfare Act (indispensable measure, alternative methods to animal experiments, indispensability of the stress, sensory-physiological stage of development)
- Glossary of abbreviations used in the text and, if applicable, specific technical terms
- List of literature citations (if not included in the text)
- If applicable, form "Final assessment of genetically modified breeding lines"
- If applicable, form "Repeated use of primates"
- Load table
- Score Sheet
- Recording model according to § 9 para. 5 Animal Protection Act
- If applicable, personal sheets
- Evidence of the training as well as the knowledge and skills and animal experimentation experience of the persons involved
- If applicable, forms "Information on biometric planning"
- Statistical report
- Statement of the Animal Welfare Officer
- If applicable, scientific assessments by independent third parties
- Other: e.g. Medication list etc.

## Voraussetzungen

- The experiment is essential and cannot be replaced by alternative methods. It has not been carried out in this way so far, a gain in knowledge is plausibly demonstrated.
- Personnel requirements are met: If you manage, plan and carry out animal experiments, you must demonstrate expertise, in particular with regard to the stressful interventions and treatments, related to the procedure and the animal species
- necessary facilities, equipment and other material resources are available
- for animal experiments carried out in laboratory animal facilities, a permit is required for the corresponding animal species in accordance with the Animal Welfare Act.

Modul	Sachverhalt
Kosten	Depends on the respective administrative fee schedule of the state or on the fee statutes of the competent authorities under state law.
Verfahrensablauf	After you have submitted the required documents, they will be checked for formal completeness. You will receive a formal acknowledgment of receipt. Subsequently, the application will be submitted to the Commission for review at the next possible meeting. The opinion of the Commission shall be duly taken into account in the examination by the competent authority. In addition, an opinion from the responsible animal welfare officer is obtained. If you have any queries or need clarification, you will be asked to comment in writing before a final decision is made.
Bearbeitungsdauer	The competent authority must notify you of a decision on the application within 40 working days of receipt of an application that complies with animal welfare requirements. The deadline can be extended once by up to 15 working days. The clarification of open questions also leads to a suspension or suspension of the deadline. Even after expiry of the above-mentioned period, the experimental project may not be started until a permit has been obtained.
Frist	Missing documents will be requested. The deadline for a decision on the application only counts from the date on which all the necessary information has been provided. They are not allowed to start the animal experiment until they have received the permit.
weiterführende Informationen	
Hinweise	<ul style="list-style-type: none"> <li>• The simplified approval procedure applies to animal experiments that are required by law.</li> <li>• Experimental projects in which decapods are used are subject to the notification obligation.</li> </ul>
Rechtsbehelf	Objection (depending on state law, the objection may be excluded), administrative court action
Kurztext	<ul style="list-style-type: none"> <li>• Apply for authorisation of animal experiments</li> <li>• Animal experiments are generally subject to approval; Animal experiments are interventions and treatments</li> </ul>
