Teaser	Do you have a disability or illness that excludes the use of ordinary, public toilet facilities? Then the universal key for barrier-free toilets within Europe is a possible solution for you.
Volltext	You have a disability and would like to use barrier-free toilets? The "Club Behinderter und ihrer Freunde e.V." (CBF) In 1986, Darmstadt developed a concept for a uniform key for disabled toilets at motorway service stations, in cities, in universities, at railway stations and in many other buildings. The club sells the so-called Euro toilet key in Germany and other European countries. It can be used at over 12,000 locations (as of 2017). A list of the corresponding toilet facilities is available at "Der Locus". The CBF is careful that the key is only handed out to people who are dependent on disabled toilets. In addition, the key can be used nationwide for the use of numerous barrier-free entrances, stair lifts, etc. can be used to guarantee people with disabilities as independent a life as possible in everyday life. People who can usually obtain a universal key are: • Blind and visually impaired • severely handicapped persons • Wheelchair user • Stoma carrier • Severely disabled persons who are in need of assistance and may need an assistant • Multiple sclerosis sufferers • Crohn's disease sufferers • Ulcerative colitis sufferers • People with chronic bladder/bowel disorders
Erforderliche Unterlagen	Copy of the severely disabled person's pass or alternatively medical certificate.
Voraussetzungen	The German severely disabled person's pass is considered an entitlement to earn a living if • the mark: aG, B, H, or BL • or the mark G and a GdB of 70% upwards is included.
