<b>Teaser</b>	
<b>Volltext</b>	<p>For export to non-EU countries, animals must generally meet certain requirements of the country of destination and be accompanied by a health certificate in which compliance with the health requirements for export is confirmed by an official veterinarian or official veterinarian.</p> <p>This applies in particular to mammals, birds, fish, but in some cases also to amphibians, reptiles, insects, arachnids, molluscs and other animals.</p> <p>Animals that do not meet the health requirements may not be exported.</p> <p>The same applies to movements between Member States of the European Union.</p>
<b>Erforderliche Unterlagen</b>	The health certificates required in each case depend on the country of destination and may need to be obtained from the embassy or authorities of that country.
<b>Voraussetzungen</b>	
<b>Kosten</b>	The amount of the fee varies greatly depending on the individual case.
<b>Verfahrensablauf</b>	First of all, the requirements of the country of
