Verfahrensablauf

Notification of the commencement of work as an inspection expert or inspection expert for technical installations must be submitted to the recognition authority in Rhineland-Palatinate.

The required evidence in accordance with Section 8 (3) and (4) of the State Ordinance on the Inspection of Technical Installations must be enclosed with the notification. The recognition authority checks the evidence and certifies that the requirements regarding proof of knowledge and the field of activity as well as the requirements of § 4 have been met.

The activity as an inspection expert or inspection expert for technical installations may only be carried out once the certificates from the recognition authority have been submitted.

Bearbeitungsdauer
Frist

The notification must be made before the first activity in Rhineland-Palatinate. For persons pursuant to Section 8 (3) and (4) of the State Ordinance on the Inspection of Technical Installations, evidence of the inspection must be submitted to the recognition authority. The latter shall examine the documents and, upon request, certify the equivalence and the recognition requirements. Notifications and certificates in accordance with paragraphs 3 and 4 are not required if a notification has already been made or a certificate issued in another state of the Federal Republic of Germany.
