Teaser	To be recognized as a test expert for stability, submit a written application to the Rhineland-Palatinate Chamber of Engineers.
Volltext	Persons with particular expertise and competence in the stability of structural systems can apply for recognition as inspection experts for stability in order to be able to inspect stability certificates in the building permit procedure on behalf of the building owner and instead of the building supervisory authority.
Erforderliche Unterlagen	<p>The application must be accompanied by the required information and evidence in accordance with Section 4 (2) of the State Ordinance on Inspection Experts for Structural Safety (PrüfSStBauVO), in particular</p> <ol style="list-style-type: none"> 1. a certificate of citizenship, 2. a curriculum vitae with complete details of the professional career and professional activity up to the time of application, 3. Transcripts or photocopies of university degree certificates and all certificates relating to previous employment, 4. a declaration that an application has been made for a certificate of good conduct for submission to an authority (Section 30 (5) of the Federal Central Criminal Register Act) or an equivalent document from a Member State of the European Union or a country with equivalent status under European Community law; the certificate of good conduct or equivalent document should not be more than three months old, 5. proof that the requirements under Section 3 (1) sentence 1 nos. 2 to 9 have been met, whereby proof that the requirements under Section 3 (1) sentence 1

Modul

Sachverhalt

nos. 2, 3 and 6 have been met must be provided by a certificate from the examination board in accordance with Sections 5 and 6 of the PrüflingBaustatikVO,

6. a list of the structures with an above-average degree of difficulty (statically and structurally difficult structures) worked on by the applicant, stating the place, time, client, type of work carried out by the applicant and the bodies and persons who have checked the stability certificates prepared by the applicant,

7. a list of persons who can provide information on the applicant's technical suitability; the projects on which the applicant has worked with these persons and at what time must be stated,

8. a declaration that there are no grounds for refusal pursuant to Section 3 (2),

9. details of any branch offices and

10. details of any participation in a company whose purpose is the planning or execution of construction projects.

Voraussetzungen

The requirements for entry in the list in accordance with Section 2 (1) of the State Ordinance on Inspection Experts for Structural Safety (PrüfSStBauVO) can be found in "Section 2 Requirements for entry".
