| Volltext                      | <p>By participating in a prequalification procedure, construction companies can prove their qualifications in the following areas, irrespective of the contract:</p> <ul style="list-style-type: none"> <li>• expertise</li> <li>• efficiency</li> <li>• Reliability</li> </ul> <p>After successful participation, companies receive a certificate and a number. Your company's prequalification is entered under this number in the list of the Association for the Prequalification of Construction Companies (prequalification directory). You can use the certificate or number to prove your qualification in tender letters for public construction contracts.</p> <p>Please note: The prequalification directory is generally accessible. Public clients can also view the certificates on which the prequalification is based.</p>                                                                                                                                                                                                                       |
