Teaser	Your child is affected by a school or daycare closure and you can no longer work because of it? Find out here how you will be reimbursed for loss of earnings.
Volltext	<p>Working custodians are entitled to compensation for their loss of earnings if schools or daycare centers have been closed for reasons of infection and they ensure the care of their child or children themselves. Children must not have reached the age of 12. This age restriction does not apply to disabled children. The entitlement also applies to foster children.</p> <p>Compensation depends on your earnings.</p> <p>Compensation is granted for a maximum closure period of 6 weeks. It amounts to 67% of your net earnings, for a full month a maximum of 2,016 euros.</p> <p>If the facility would close anyway due to holidays, this rule does not apply in principle.</p> <p>If you have concluded a childcare contract with an after-school care facility, you are also entitled to compensation during the school holidays.</p> <p>Before you receive this compensation, you must exhaust all other reasonable care options. These are, for example, childcare by family members or friends, home office, reduction of time credits or vacation.</p> <p>Care by so-called "risk groups" should be avoided.</p>

You can also apply for an advance.

The following applies to the self-employed:

You will be reimbursed directly from the competent authority.
