Teaser	If you want to transfer a body abroad, a mortuary passport may be necessary.
Volltext	For the transfer of a corpse to another federal state, a corpse passport is only required if this or a federal state touched on the journey requires one.

Modul

Sachverhalt

As a rule, a mortuary passport is required for the transfer of a corpse abroad if the destination country or a country touched on the journey requires one. The mortuary passport is issued in several languages.

Erforderliche Unterlagen

- Death certificate or a certificate from the registrar stating that the death has been entered in the list of deaths that have been reported but have not yet been notarized
- non-confidential part of the death certificate,
- a written declaration by the funeral director that the body will be confined in accordance with the provisions of the Funeral Act and this Ordinance and transferred by funeral vehicle,
- if applicable, a permit from the health department if health concerns are raised against the transfer
- in cases of discovery of a body and suspicion of unnatural death, written permission from the public prosecutor's office

If a foreign state requires further information for transport within its territory, this should be included in the mortuary passport.
