Teaser	Do you want to use plant protection products commercially for others or advise on the use of plant protection products? In this case, you must notify the competent authority before commencing your work.
Volltext	The obligation to notify exists if you want to use plant protection products for others or if you want to advise other persons on the use of plant protection products within the framework of commercial enterprises. On the other hand, you are not required to report if the use of plant protection products is occasional neighbourly help.
Erforderliche Unterlagen	• Notification form (form for the declaration of activity in the case of commercial application and consultancy as well as in the trade of plant protection products), as well as • Copy of the certificate of competence of the required technical knowledge and skills in the handling of plant protection products • Proof of current further education must also be attached if the certificate of competence is older than 3 years. Information on which training qualifications are recognised can be obtained from the responsible service centres for rural areas in Rheinhessen-Nahe-Hunsrück and Rheinpfalz.
Voraussetzungen	According to the Plant Protection Act (PflSchG), the use of plant protection products is only permitted to persons who have the necessary professional knowledge and skills and can guarantee that no avoidable harmful effects on nature, humans and

Modul	Sachverhalt
	animals occur as a result of the handling of plant protection products. Plant protection expertise must therefore be proven by persons who: • use plant protection products in an agricultural holding (including horticulture or forestry) or for the protection of stocks; • carry out a notifiable activity (e.g. dispensing plant protection products in the retail trade or providing commercial advice on the use of plant protection products) or • instruct or supervise persons who use plant protection products in the context of an apprenticeship.
Kosten	The notification of the activity is free of charge.
Verfahrensablauf	
Bearbeitungsdauer	
Frist	The activities must be reported to the competent authority before commencement.
