Teaser	Would you like to develop further in your trade? Find out about further training opportunities here.
Volltext	With further training you can develop professionally and personally. The Chambers of Skilled Crafts offer comprehensive further training in the technical and business areas. You can complete these if you want to take a master craftsman's examination. If you already have a master craftsman's certificate, you can expand your professional knowledge through further training.
Erforderliche Unterlagen	Which documents are required depends on your further training. You should therefore obtain information from the Chamber of Crafts.
Voraussetzungen	Completed vocational training in a skilled trade or profession
Kosten	Fees will apply. These depend on your continuing education. In addition to the training fees, there are also fees for the subsequent examination.
Verfahrensablauf	To participate in a Chamber of Skilled Crafts continuing education course, you must first meet the prerequisites for the respective event. Find out about further training courses at the Chamber
