Volltext	<p>You can obtain a residence permit for the recognition of your foreign professional qualification if you have been placed in employment in the health and care sector as a result of an agreement between the Federal Employment Agency and the employment services of your country of origin (e.B. as part of the "Triple Win" programme for the placement of nursing staff) or on the basis of an agreement in another selected area. You do not have to conduct a recognition procedure in Germany before issuing your residence permit. This can also be started after arrival in Germany. The overall procedure required for this is regulated in the mediation agreement.</p> <p>The Federal Employment Agency must have agreed to the exercise of employment in the desired occupational field. The approval of the Federal Employment Agency is granted for a limited period of one year. Consent may be given for the exercise of employment in both regulated and non-regulated professions if certain conditions are met.</p>

## Verfahrensablauf

The residence permit must be applied for at the immigration office responsible for your place of residence. The procedure is as follows:

- Depending on the immigration office and concerns, an application via the Internet may be possible. Find out whether your immigration office offers the electronic application for the residence permit.
- If the application is only possible in person, make an appointment with the immigration office. During the appointment, your application will be accepted and your proofs checked (bring them with you to the appointment). For the production of an electronic residence title (eAT Card), your fingerprints will be taken.
- In the event of an electronic application, the Immigration Office will contact you after receipt of your online application in order to make an appointment at the Immigration Office if necessary. During the appointment, your proofs will be checked (bring them with you to the appointment) and your fingerprints will be taken for the production of the electronic residence title (eAT card).
