Volltext	<p>They can obtain a residence permit for the recognition of a qualification measure if they intend to work in a non-regulated profession in order to compensate for the identified deficits in the context of qualified employment. Non-regulated professions are professions without certain state requirements for their exercise. This means that there is no professional license that would be necessary to work in the profession.</p> <p>The Federal Employment Agency must agree to the exercise of employment. As part of the approval, it examines, among other things, whether the employment is not carried out under less favourable working conditions than the employment of comparable domestic employees.</p> <p>The residence permit for the recognition of professional qualifications during employment is a</p>
